

Finnish Military Aviation Authority

MAINTENANCE APPROVAL CERTIFICATE

Number 001

Pursuant to military aviation requirements and subject to the conditions specified below, the Finnish Military Aviation Authority hereby certifies:

PATRIA AVIATION OY

as a maintenance organisation in compliance with SIM-To-Lt-001 (MIL Part-145), approved to maintain the products, parts and appliances listed in the attached approval schedule and issue related certificates of release to service.

CONDITIONS:

1. This approval is limited to that specified in the scope of approval section of the maintenance organisation exposition and in this Certificate, and
2. This approval requires compliance with the procedures specified in the maintenance organisation exposition, and
3. This approval is valid whilst the maintenance organisation remains in compliance with SIM-To-Lt-001 (MIL Part-145).
4. This approval shall remain valid for an unlimited duration unless the approval has previously been surrendered, superseded, suspended or revoked.
